## ABOUT THE MUSIC

---

Inspired by the folk song *Arirang*, which is named after a mountain range in South Korea, *A Song of Courage* combines the centuries-old folk song with original material. While the song itself is gentle and thoughtful in character, it is about exhibiting courage in the face of hardship and adversity. Contrasting the aforementioned, the beginning and ending statements are quite bold in nature to typify the song's message of courage. Boldness soon gives way to calm, as the music settles into the familiar melody. The melodic content is gently passed through the various sections of the ensemble before coming to a strong conclusion.

## PERFORMANCE NOTES

---

If no timpani are available, tom-toms of different pitch (played with timpani mallets) may be substituted. The trombone, euphonium, and bassoon parts are largely the same, providing latitude for the divisi notes. While the bottom divisi notes will wonderfully enhance the harmonic structure, the piece is fully functional without them.
